Building film-SL series

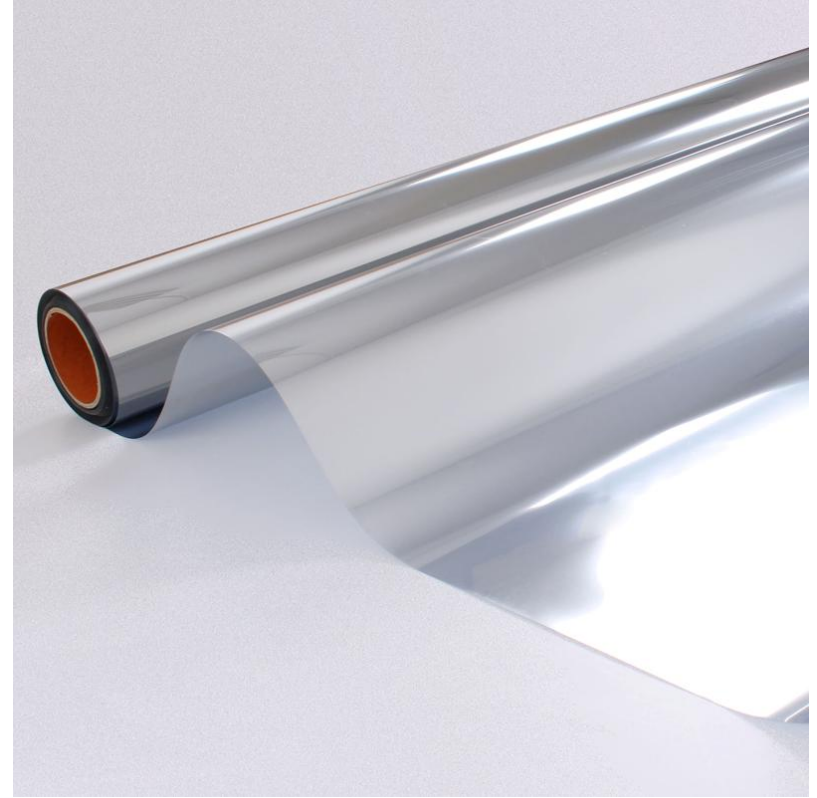

Item No.:SL10

Visible light transmittance:15%

Ultraviolet light rejected:99%

Infrared resistant:87%

Total solar energy rejected:77%

Item No.:SL20

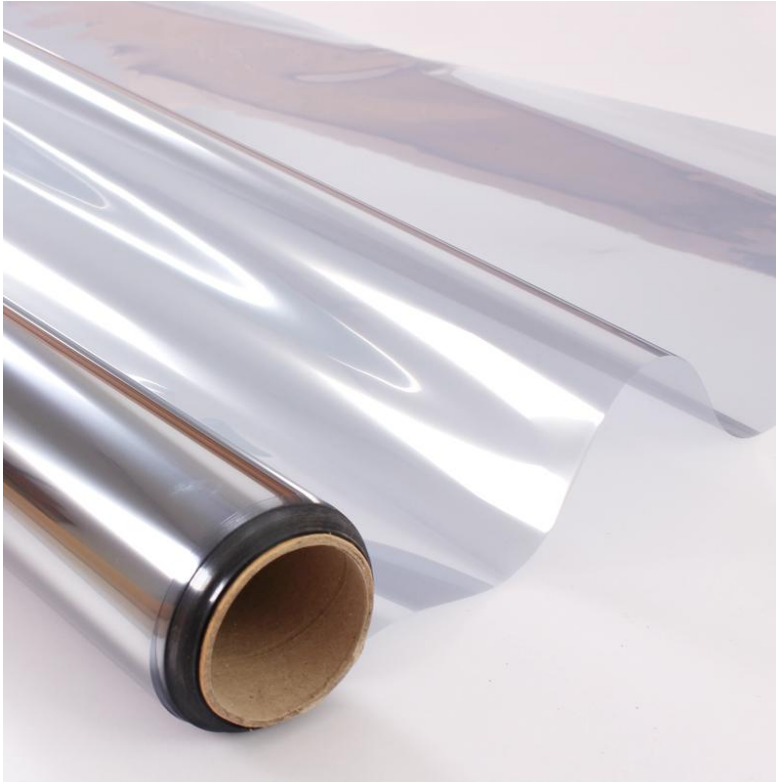

Visible light transmittance:20%

Ultraviolet light rejected:99%

Infrared resistant:85%

Total solar energy rejected:75%

Building film-SL series

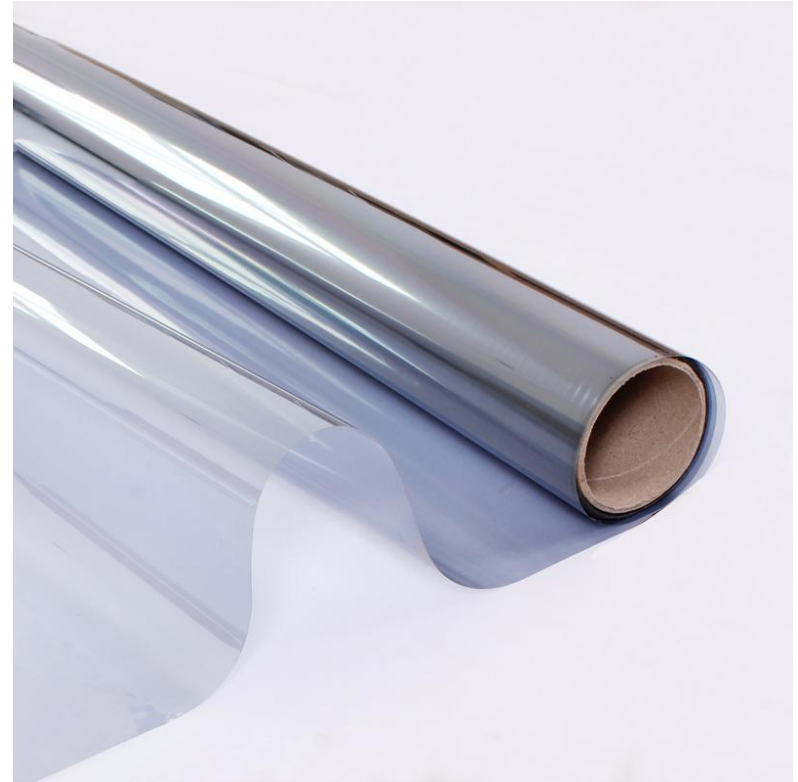

Item No.:SL40

Visible light transmittance:42%

Ultraviolet light rejected:99%

Infrared resistant:72%

Total solar energy rejected:50%

Item No.:SL50

Visible light transmittance:50%

Ultraviolet light rejected:99%

Infrared resistant:70%

Total solar energy rejected:52%

Building film-SL series

Item No.:SL55

Visible light transmittance:42%

Ultraviolet light rejected:99%

Infrared resistant:72%

Total solar energy rejected:50%

Building film-BK series

Item No.:BK10

Visible light transmittance:10%

Ultraviolet light rejected:99%

Infrared resistant:13%

Total solar energy rejected:40%

Item No.:BK15

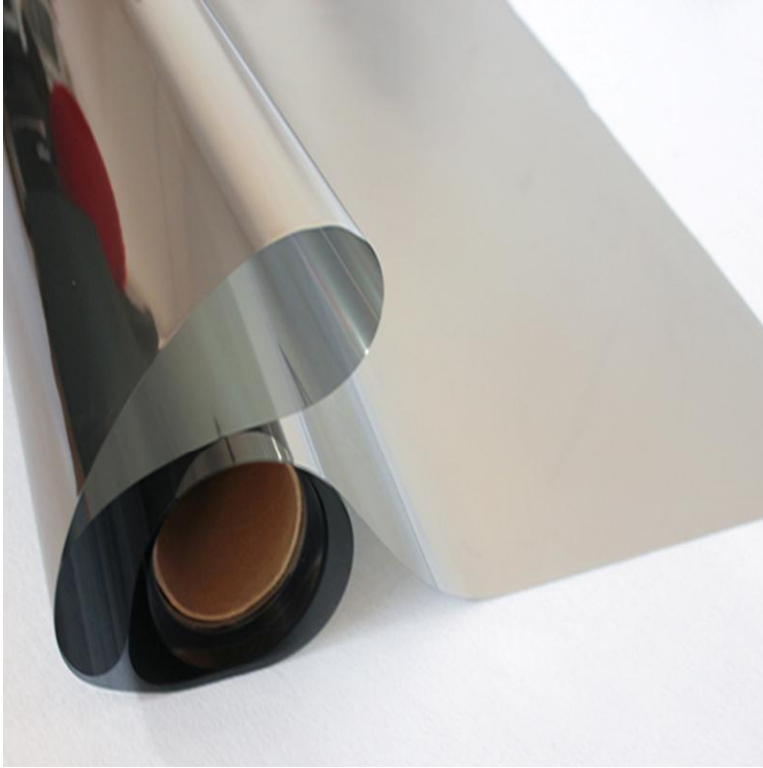

Visible light transmittance:15%

Ultraviolet light rejected:99%

Infrared resistant:49%

Total solar energy rejected:56%

Building film-BK series

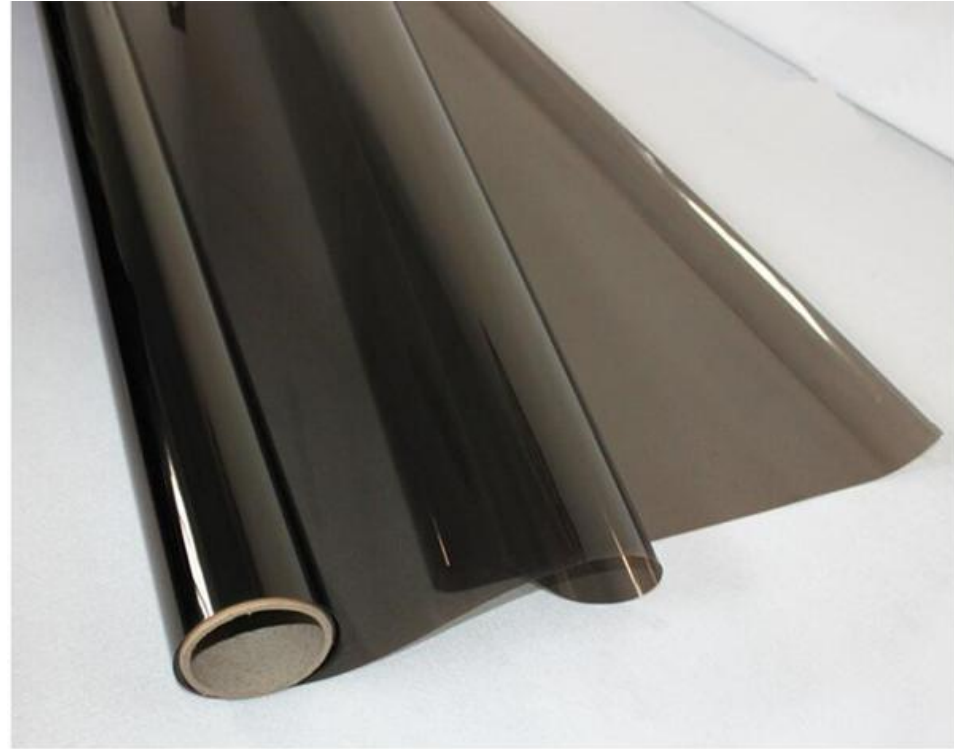

Item No.:BK20

Visible light transmittance:22%

Ultraviolet light rejected:99%

Infrared resistant:70%

Total solar energy rejected:64%

Item No.:BK30

Visible light transmittance:45%

Ultraviolet light rejected:99%

Infrared resistant:34%

Total solar energy rejected:35%

Building film-**BR** series

Item No.:BR30
Visible light transmittance:21%
Ultraviolet light rejected:99%
Infrared resistant:54%
Total solar energy rejected:56%

Item No.:BR35
Visible light transmittance:33%
Ultraviolet light rejected:99%
Infrared resistant:70%
Total solar energy rejected:45%

Building film-**BR series**

Item No.:BR40

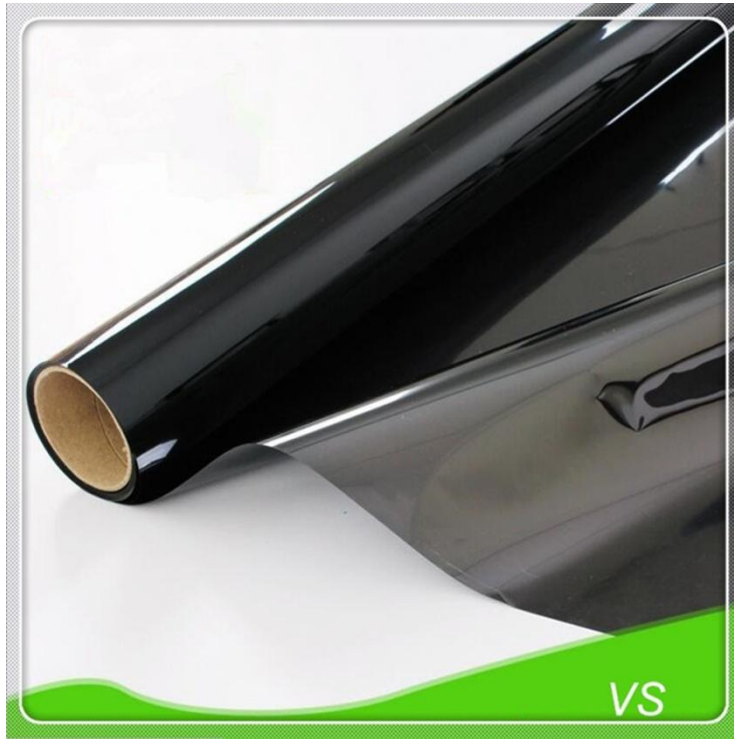

Visible light transmittance:36%

Ultraviolet light rejected:99%

Infrared resistant:54%

Total solar energy rejected:50%

Building film-5 series

Item No.:511

Visible light transmittance:10%

Ultraviolet light rejected:99%

Infrared resistant:13%

Total solar energy rejected:40%

Item No.:514

Visible light transmittance:19%

Ultraviolet light rejected:99%

Infrared resistant:12%

Total solar energy rejected:35%

Building film

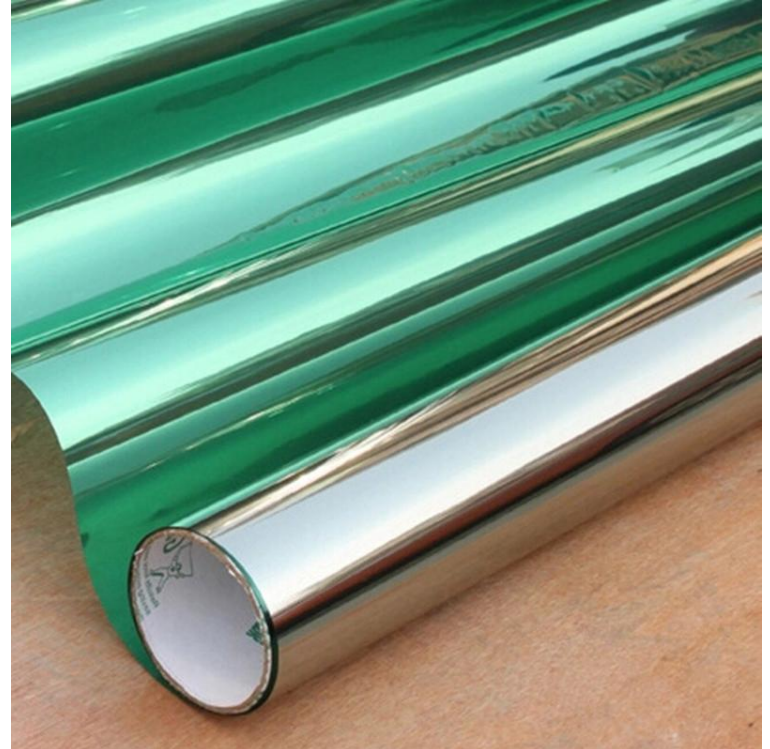

Item No.:520

Visible light transmittance:12%

Ultraviolet light rejected:99%

Infrared resistant:80%

Total solar energy rejected:74%

Item No.:805

Building film

Item No.:806

Visible light transmittance:17%

Ultraviolet light rejected:99%

Infrared resistant:80%

Total solar energy rejected:72%

Item No.:807F

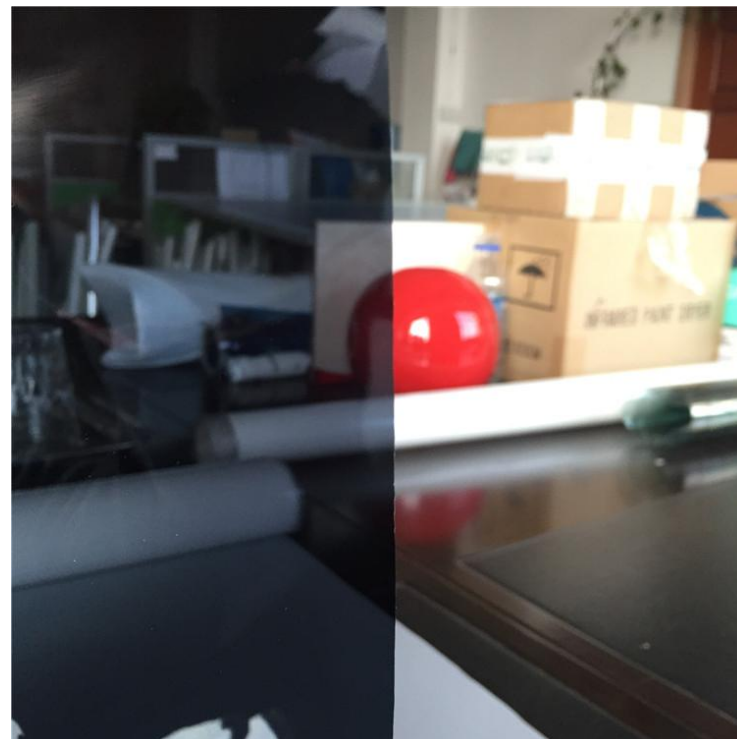

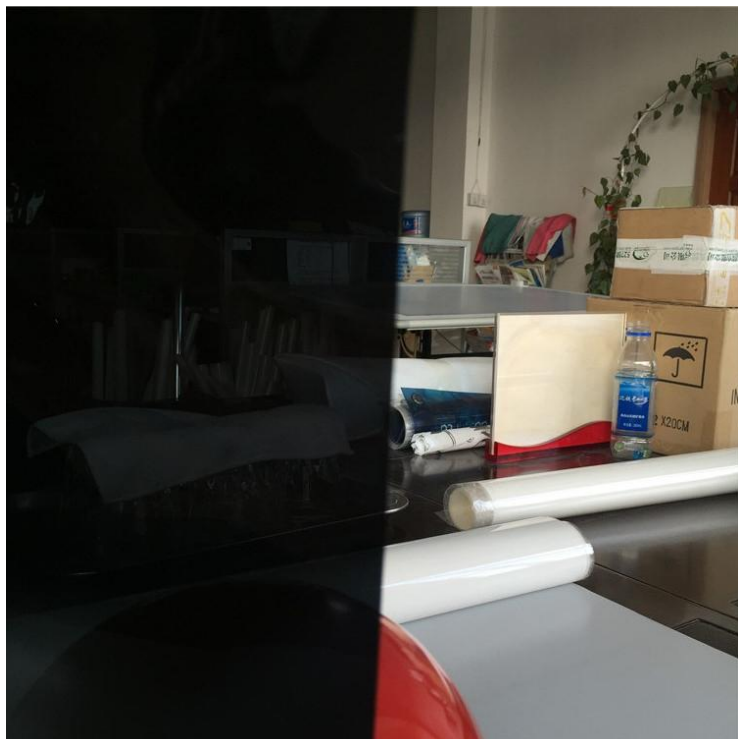

Visible light transmittance:12%

Ultraviolet light rejected:99%

Infrared resistant:74%

Car window film-BK series

Item No.:BK03

Visible light transmittance:5%

Ultraviolet light rejected:99%

Infrared resistant:10%

Total solar energy rejected:43%

Item No.:BK13

Visible light transmittance:15%

Ultraviolet light rejected:99%

Infrared resistant:10%

Total solar energy rejected:40%

Car window film-BK series

Item No.:BK19

Visible light transmittance:20%

Ultraviolet light rejected:99%

Infrared resistant:10%

Total solar energy rejected:34%

Item No.:BK35

Visible light transmittance:35%

Ultraviolet light rejected:99%

Infrared resistant:10%

Total solar energy rejected:27%

Car window film-BK series

Item No.:BK50

Visible light transmittance:50%

Ultraviolet light rejected:99%

Infrared resistant:10%

Total solar energy rejected:20%

Car window film-CK series

Item No.:CK15

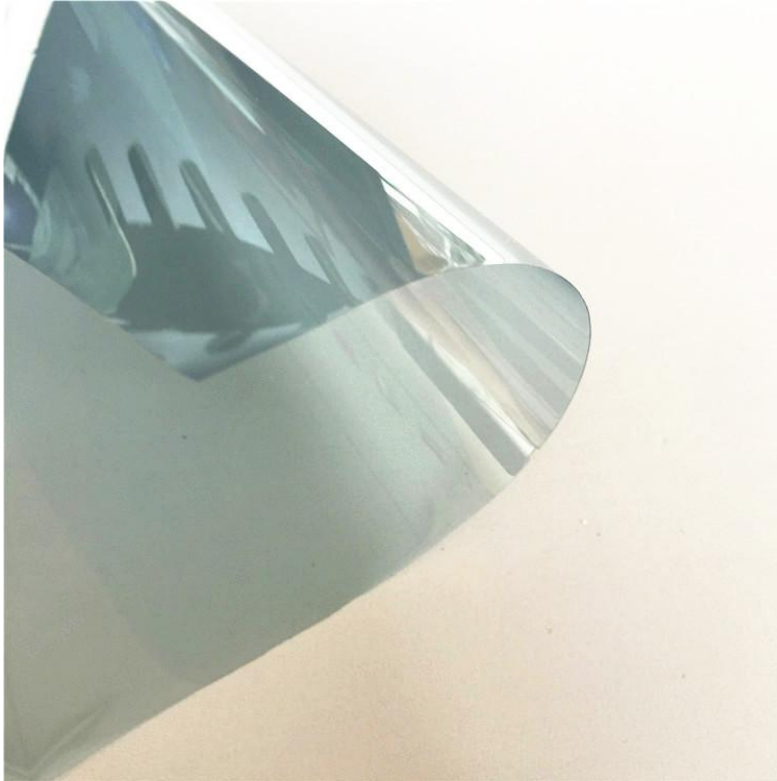

Visible light transmittance:16%

Ultraviolet light rejected:99%

Infrared resistant:48%

Total solar energy rejected:55%

Car window film-NOGL series

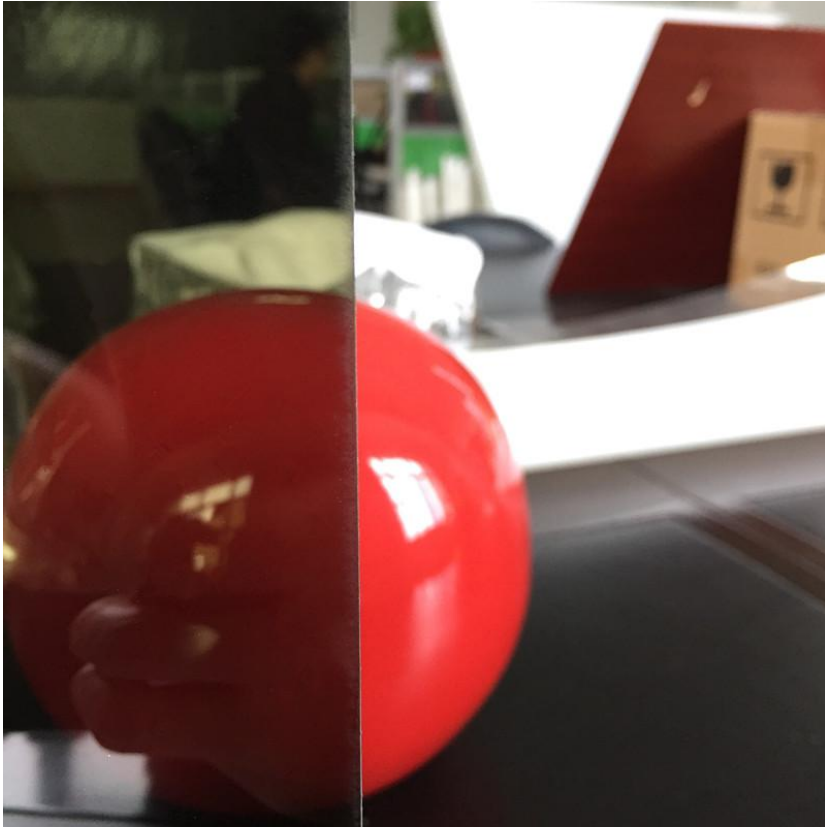

Item No.:NOGL-70
Visible light transmittance:70%
Ultraviolet light rejected:99%
Infrared resistant:90%
Total solar energy rejected:54%

Item No.:NOGL-80
Visible light transmittance:80%
Ultraviolet light rejected:99%
Infrared resistant:60%
Total solar energy rejected:34%

Car window film-5 series

Item No.:509

Visible light transmittance:18%

Ultraviolet light rejected:99%

Infrared resistant:10%

Total solar energy rejected:34%

Item No.:511

Visible light transmittance:9%

Ultraviolet light rejected:99%

Infrared resistant:10%

Total solar energy rejected:38%

Car window film-5 series

Item No.:514

Visible light transmittance:17%

Ultraviolet light rejected:99%

Infrared resistant:13%

Total solar energy rejected:34%

Item No.:515

Visible light transmittance:40%

Ultraviolet light rejected:99%

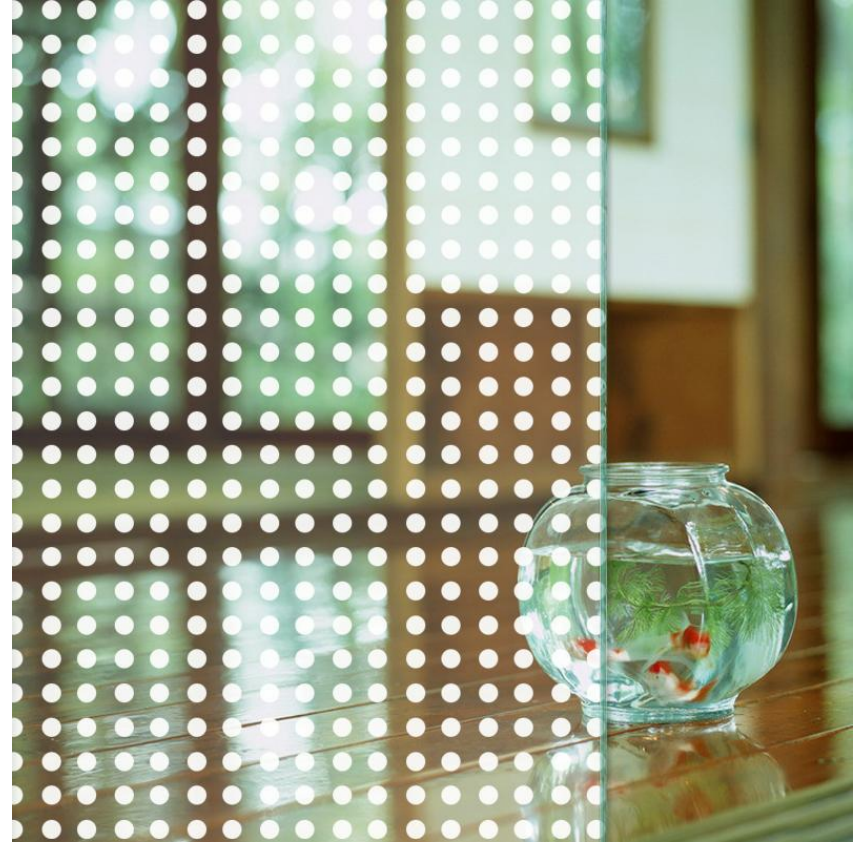

Infrared resistant:10%

Total solar energy rejected:25%
